Your Old Jewelry
MADE NEW

You have an old cameo, perhaps, that has lain for years unworn and almost forgotten; or it may be old-fashioned earrings, a brooch or necklace.

Don't let them lie there any longer. The cameos can be effectively re-mounted and the earrings are more popular just now. Quite likely we can also show you how your other old ornaments can be transformed at small expense into attractive jewelry in the prevailing style.

Now that the holiday rush is over is the very best time. Design and estimate upon request.

FIVE ARRESTED FOR SATURDAY NIGHT FIGHT.
 Trouble Started Over Challenge to Wrestler for \$100.

For a fight which occurred on Saturday night about 10 o'clock outside of the Grykop saloon on North Main street, near the tannery, Michael Zbair, formerly of Moosau, now of Taftville, was arrested Sunday morning at their homes in Taftville.

From what was learned about the trouble, it started because Carnaski, who is something of a wrestler, issued a challenge to the local wrestler, Zbair, who had a cut on his head when arrested and had to go to a doctor to have it looked after. Zbair was bloody around the face, but it looked as if Carnaski had got the worst of the encounter.

After the fight in the street outside of the Grykop saloon, Carnaski followed the party to the Caron saloon in Greenville, where the fight went on. There, it was understood he followed along and there was another fight. Carnaski was again arrested. He was in the gutter when the car men came out and stopped the fight, holding Carnaski and Zbair. The others got away.

Motorman Charles Yerrington brought the two men to the Franklin street station, where they were taken to police headquarters. They made no resistance there.
